PUBLIC NOTICE

Re: Sells District Komckud E-wa'osidk Wappto, Sells 86 Diner

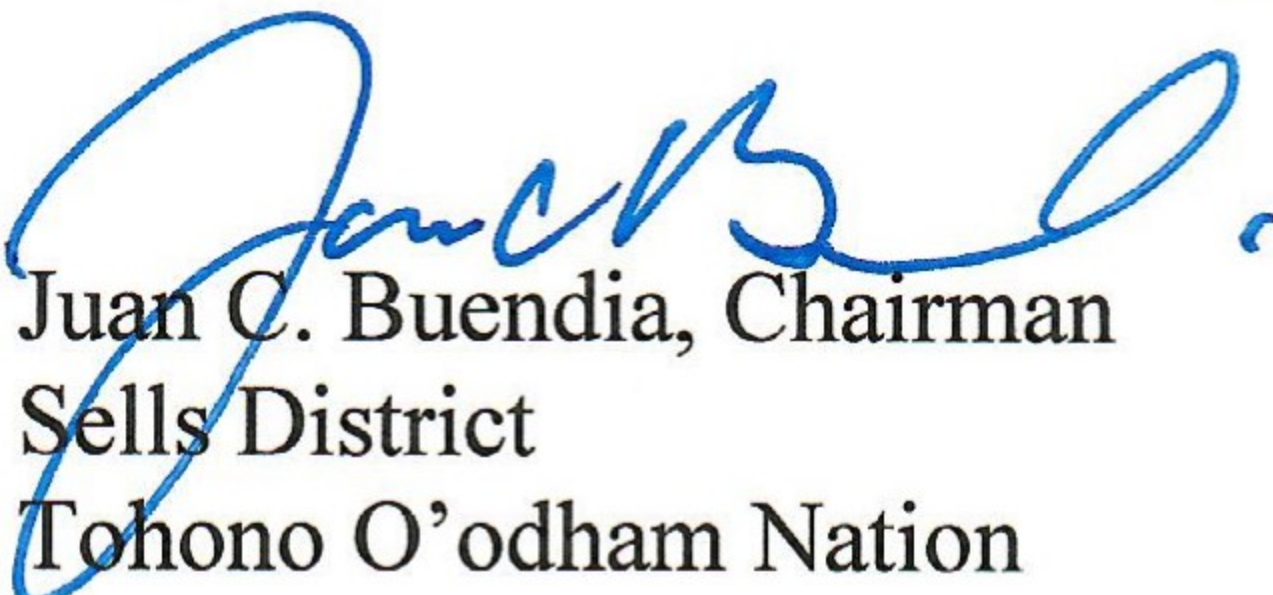

Effective as of June 3, 2021, Sells District Economic Development Committee by consensus has agreed to reopen the Komckud E-wa'osidk Wappto area effective immediately. This action of the Sells District Economic Development Committee was taken after consideration and with all precautionary measures in mind to ensure the safety and wellbeing of the public. Due to the steady decrease in cases and increase in vaccinations we feel that with strict implementation of guidelines and rules we can safely reopen this service to the community at large. MASK ARE REQUIRED IN THE AREA AND ALL PUBLIC SPACES. CONTINUE TO KEEP YOUR HANDS CLEAN AND SOCIAL DISTANCE.

Reminder to our local food vendors you will be responsible to assist the District in its efforts by: ensuring your patrons are masked up, ensuring that there is 6 feet of space between each person in line and while we will provide sanitizing stations you should also provide hand sanitizer for use of the public.

Additionally, the Committee has agreed to allow the Sells 86 Diner to reopen for takeout, this will begin with breakfast and then as we move forward gradually begin lunch within the next few weeks.

We thank you for your attention and cooperation during this critical time. If there are any changes that you need to be immediately aware of, we will advise accordingly. You may reach the District Chairman by phone at 520.993.0838 or Vice Chairman at 520.403.9491 if needed.

Respect and continued blessings,

Juan C. Buendia, Chairman
